	<b><u>CITIZEN QUESTION AND COMMENT PERIOD</u></b>	
	<p>Mr. Banks Helfrich, a former Lake County Soil and Water Conservation District Chairperson and current candidate for State House of Representatives District 25, spoke about those in the community who cared and who showed up at the Greater Clermont Cancer Foundation, volunteered for businesses in the City of Clermont’s downtown main street, supported organizations that worked with children, and attended Board of County Commissioners (BCC) and City Council meetings to provide comments. He indicated that he did this because he cared about the people and the land of Lake County, and said that he offered his farm to the community to experience, recalling that he recently had a Mother’s Day farm tour that included tasting, a teach and a takeaway. He mentioned that he had other events throughout the year for the community and that they could be found on Eventbrite under “On the Farm with Banks.”</p>
